

Reducing healthcare costs. Improving healthcare quality.

FOR IMMEDIATE RELEASE

September 18, 2009

Members to Benefit from New Agreement Between Amerinet and ODS Medical

Amerinet Inc., a leading national healthcare group purchasing organization, announces a new agreement with ODS Medical for image recording, storage and distribution solutions.

Effective September 1, 2009, through August 30, 2012, the contract offers Amerinet members significant savings on the PACScomm™ suite of CD/DVD image recording, distribution, and archiving systems designed to help hospitals and imaging centers move toward a total digital environment.

About ODS Medical

ODS Medical is a dedicated business unit of Objective Data Storage, LLC, whose history includes more than a quarter century track record as a developer and value added reseller of CD/DVD burning & image recording systems, as well as optical data storage hardware and software solutions. For almost 20 years, the company has provided information management solutions to a number of healthcare industry sectors, including radiology and cardiology. ODS Medical serves the healthcare market from its corporate offices in Columbia, Md. To learn more, visit www.odsmedical.com.

About Amerinet

As a leading national group purchasing organization, Amerinet strategically partners with healthcare providers to reduce costs and improve quality.

Through its Total Spend Management solutions and operational performance improvement programs, tools and services, Amerinet assists members in their efforts to reduce costs, improve efficiencies and create new revenue streams. Supported by a team of clinical, data and supply chain experts, Amerinet offers a comprehensive portfolio of product and service contracts to address members' specific needs.

Based in St. Louis, Amerinet serves acute and alternate care site healthcare providers nationwide. To learn more, visit www.amerinet-gpo.com.
